EDUCATION

BS Information Technology

Quaid-E- Awam university of Science and Technology

09/2022 - Present

Nawabshah Sindh

Courses

- Database , Data structures and Algorithms, Object oriented programming , operating systems

Intermediate FSC

Government Degree College

10/2020 - 10/2022

Daur Marks 944/ 1100 85%

Courses

- Physics, Chemistry, Mathematics , English

EXPERIENCE

Jr Software Engineer

@Maxware Techs

11/2024 - Present

Hyderabad

An IT service company located at Hyderabad

Achievements/Tasks

- Contributed to two full-stack web and mobile apps: Invoice Management System – Built for a logistics client with features like authentication, invoice generation, customer management, and real-time data tracking. Single-Vendor E-commerce App – Developed a full e-commerce platform with authentication, product management, cart, and checkout. Worked on both frontend and backend, implementing authentication, CRUD operations, and relational database design.

Backend Developer - Intern

@XedSoft

08/2024 - 12/2024

Nawabshah

An IT Service Company located at Nawabshah

Achievements/Tasks

- Assisted in developing and maintaining backend services and RESTful APIs. Designed database schemas, wrote optimized queries, and implemented CRUD operations. Implemented authentication and authorization for secure endpoints. Collaborated with frontend developers for seamless data flow. Gained experience in debugging, code reviews, version control (Git), and backend frameworks (Node.js, Express).
